## **PALMA DE MALLORCA AD (LEPA/LESJ).- Refurbishment works on Module A and Termina (EAST AREA).**

Until 30 October 2026 (estimated), works to reconfigure the East area of the apron will be carried out.

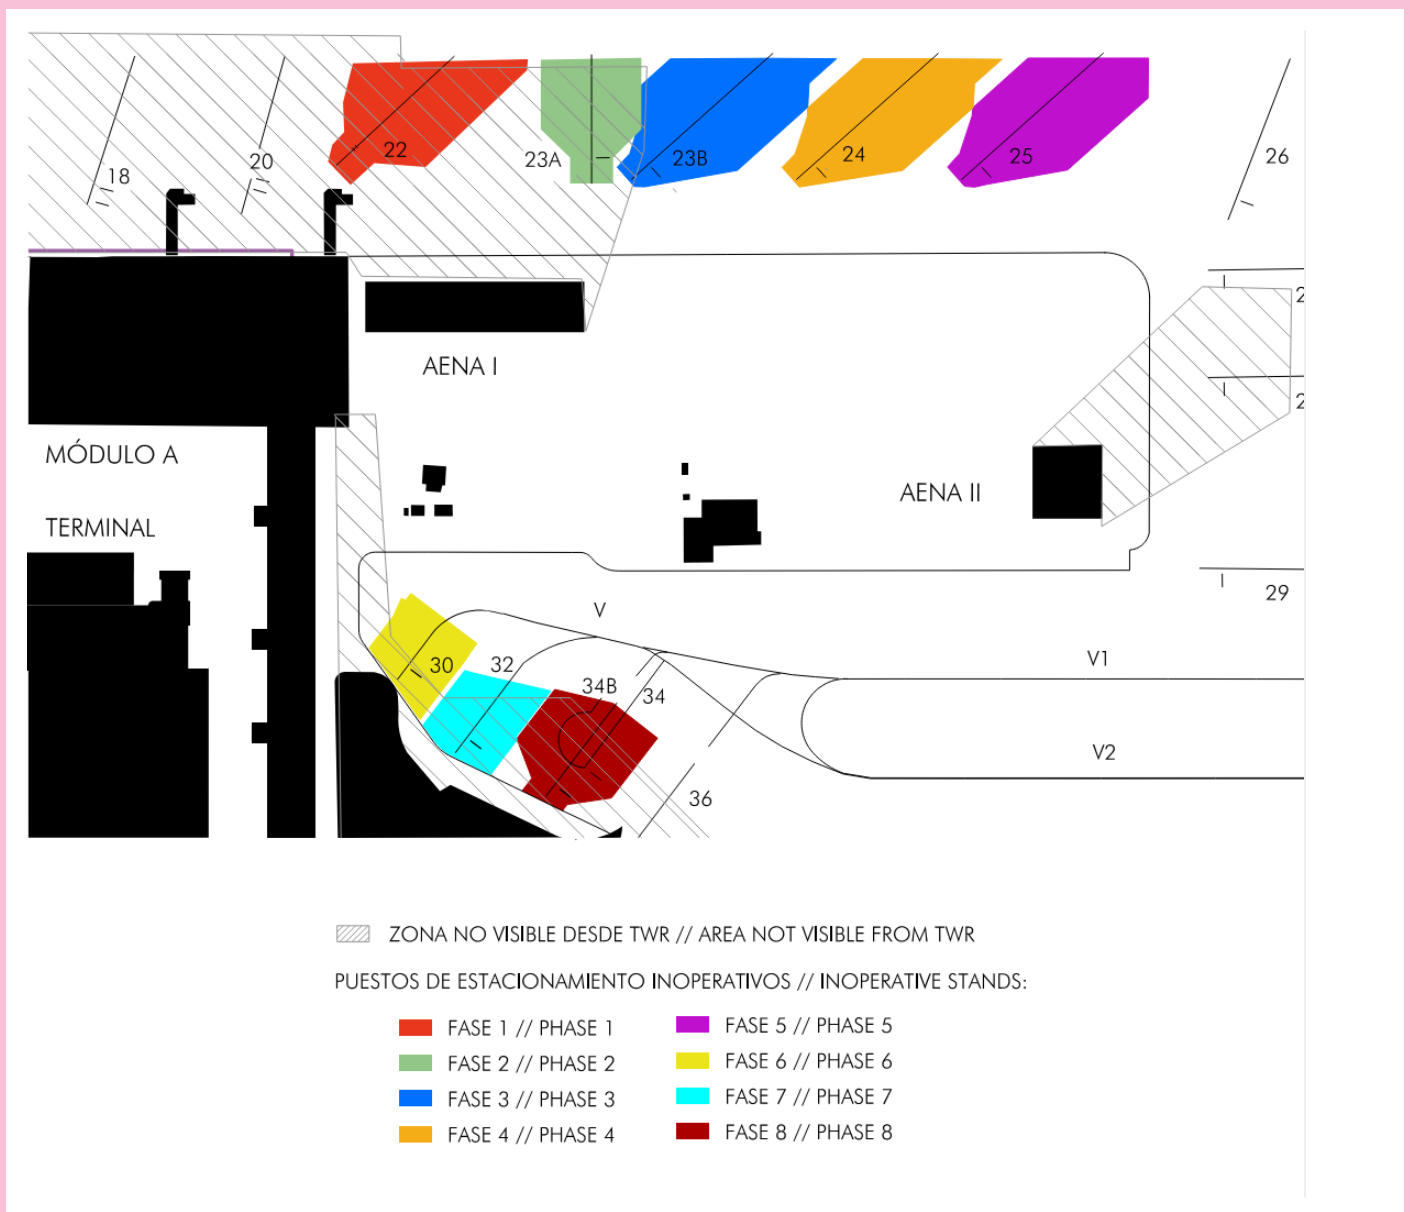

The works will take place in eight phases, the areas affected in each one of them are those specified in the present document.

The phases might not necessarily be executed in the order defined, and several phases or subphases might be activated and deactivated simultaneously.

The start and end dates of each phase, as well as any operational incident, will be announced by the corresponding NOTAM.

All phases of the works shall be duly marked and lit. Caution is recommended due to the presence of personnel and machinery.

The works will be performed at daytime or at night time. If any action affects any airport service or operations, the day and time slot will be coordinated in order to execute the works.
