AIP ESPAÑA.- DYNAMIC MARINER-25/FLOTEX-25 exercise.

1. GENERAL ASPECTS

1. The "DYNAMIC MARINER-25/FLOTEX-25" exercise shall be conducted in Mediterranean and Atlantic waters close to Spanish territory, as well as in various exercise ranges and military facilities in the south of the Iberian Peninsula, between 24th March and 04th April 2025. The aforesaid exercise shall be conducted in the FIR/UIR of Madrid and shall affect the areas and air corridors mentioned below.
2. The establishment of the daily schedule will be carried out through the publication of a NOTAM 30 days prior to the start of activities.
3. The affected areas shall be activated and deactivated in Tactical coordination via the airspace control elements involved in order to minimise the impact on commercial aviation or other operations/exercises as much as possible. All times shall be in UTC.
4. These areas shall be treated as TRA, with the exception of areas for RPAS (Remotely Piloted Aircraft System) flights and shooting activities, which shall be treated as TSA. All shall be activated through coordination with ECAO SEVILLA.
